## APPRECIATION WEEK

In these challenging times, we recognize the vital role our educators and staff play in the lives of AES scholars. Let's express our gratitude to our local heroes. For each day, write and send your teacher and/or favorite staff member an email or ClassDojo message.

- MONDAY** What's your favorite thing about her/him?
- TUESDAY** Something funny about him/her?
- WEDNESDAY** I love when my teacher/staff member...?
- THURSDAY** My best memory of him/her?
- FRIDAY** Send a letter (template below)

Selected student's writings will be shared during our next family engagement night on March 18.
